

# TURKEY TOURNAMENT FAQ

- Q. How do I get or make player and coach ID Cards?
- A. Your region may have player ID cards which you can use or you may print blank ID cards (best if on cardstock) from our website [AYSO Player Card Instructions](#). Fill them out including the player's name, AYSO ID number, birthday, season and division. They do not have to be signed by the Regional Commissioner or player. Glue the player's photo to the card and laminate the cards. We will have supplies available at our registration event to make the cards, including laminators. It is easiest and quickest to fill out as much of the passes as possible before the registration event. Be sure to bring a small photo of each player.
- Q. Can I use the fall season player id cards?
- A. Yes, if they are AYSO cards and include the player's photo, name, birthdate, season, division and AYSO ID number.
- Q. What if I don't have enough referees to represent my team?
- A. If you do not provide enough trained referees to fill nine referee slots (i.e. 3 referees for 3 games each) your referee deposit will not be refunded. You are encouraged to work with your regional referee administrator to find referees to represent your team.
- Q. What if our team has more than two coaches?
- A. Only two coaches are approved per team at the tournament. These two coaches will be the coaches listed in the tournament handbook and will be the only two coaches allowed on the sideline with the team.
- Q. What if it rains?
- A. Games are played in the rain unless the fields become unsafe. To check on game/field status in case of rain check our website <http://sanbrunoayso.org/turkey> or call 650-873-AYSO (650-873-2976). Games may be rescheduled or relocated due to unsafe field conditions.
- Q. What if a coach does not have age specific AYSO training certification?
- A. All Turkey Tournament coaches must have the appropriate age specific AYSO training for their team. Coaches without the appropriate training will not be listed in the tournament handbook and cannot be on the sideline with the team.
- Q. What if need to change my player roster?
- A. Changes to the roster can be made anytime up until the registration event the week before the tournament. New rosters or additions to the roster must be signed by your regional commissioner.

- Q. What happens if one (or more) of my players gets injured after the team check-in event but before beginning of tournament?
- A. Contact the registrar at [tt\\_registrar@sanbrunoayso.org](mailto:tt_registrar@sanbrunoayso.org) as early as possible. Be prepared to get a new roster with changes signed by your regional commissioner to the registrar as soon as possible. Any changes must be made by 2:00 pm the day before the tournament.
- Q. What do I need to bring to the registration night team check-in event?
- A. AYSO registration forms (medical release forms) for each player with “wet” parent signatures or e-signatures and player and coach ID cards (or the photos and information needed to make the ID cards at the check-in event), If you have not submitted any other necessary forms including a final roster, guest player form or referee form please bring those with the required signatures. We will accept changes to your roster at the event with a new complete roster signed by your regional commissioner.
- Q. What if I can't make it to the registration night team check-in event?
- A. You may send a representative for your team to the event. Often several teams from one region work together and send one representative for all of the teams. If you are sending a representative, be sure that you have given them all required items. If you are traveling from outside of the bay area, contact the registrar to make arrangements to check in your team.

- A. Yes, you may bring up to three guest players from another region. You must turn in a completed guest player form signed by the regional commissioners of both your region and the guest players' region(s).
- Q. Is my team a recreational team or traveling/tournament team?
- A. In general, a team is a recreational team if the players have been playing together less than a year and play primarily local/recreational games. A regular fall season AYSO team is usually recreational. A tournament team is a team that has been put together primarily to play in tournaments or competitive leagues and has been playing together for more than a year. As long as a player or players play in the current Fall Season they are eligible to play in the Turkey Tournament, even if they play on another AYSO sanctioned team.
